MY PINK RIBBON BREAKFAST CHECKLIST FOR SUCCESS!

1. Set up your space

When you can access your venue, set up tea and coffee, milk, cups, food, cutlery and napkins. Create a warm and welcoming atmosphere!

2. Decorate your area

Use bunting, posters and decorations from your host kit or download extras from your dashboard. Make your space stand out. Be sure to place your donation box somewhere visible.

3. Welcome your guests

Greet your guests as they arrive and thank anyone who brings a plate to share. If you've set an entry donation, collect cash or ask guests to scan your personalised QR code poster.

4. Collect donations

Guests can give cash or scan your QR code poster to donate online. This is ideal for those without cash or looking to make a larger gift.

5. Share your reason

Take a few moments to tell your guests why breast cancer research matters to you. A personal story helps people connect with the cause.

6. Run your activities

Hold a raffle, quiz, bake-off, game or other planned activities. Ask a few friends or colleagues to help out so you can enjoy the event too.

7. Take a moment to enjoy it

Make yourself a cuppa and take it all in. You're hosting something that truly makes an impact.

8. Thank your guests

Let everyone know how much was raised and how it supports the 56 Australians diagnosed with breast cancer every day. Thank them for being part of it.
