Dollar Matching Partner details

The gift match has been pledged by a generous donor on the condition that we preserve their anonymity and that this offer only apply to gifts made by individual donors and not to gifts made by organisations or corporations.

Purpose of the challenge
The challenge encourages participants of GO PINK to receive donations to their page over a specified 24-hour period. The donations during this period will then be dollar matched by the Dollar Matching Partner and will contribute to the campaign total.

Whose donations will be matched during the challenge?
Donations must be made to a GO PINK fundraiser via fundraising pages on the Funraisin platform. Donations are accepted from individuals only and this offer excludes organisations or corporations. Only donations received on the Funraisin platform and within the timeframe specified during the challenge period will be matched.

Details of the dollar matching amount
Dollar matching funds from the Dollar Matching Partner will be capped at $50,000. The dollar matching amount will contribute to the GO PINK campaign total and be displayed on individuals' fundraising pages after Tuesday, 9 June 2020 at 5:00pm (AEST)

How will the challenge be activated?
All participants of GO PINK 2020 will receive one email and one SMS notifying them of the dollar matching challenge. They will also be informed of the capping of funds from the Dollar Matching Partner. There may be social media posts that refer to the dollar matching challenge.

Liability
The dollar matching activity is capped at $50,000. The challenge will close when the cap is reached or the closing date and time is passed, whichever happens first. The National Breast Cancer Foundation and its Dollar Matching Partner will not be liable for the matching of any additional donations received after the cap amount has been reached or the closing date and time has passed.
